Help us to help others!

What is Healing Touch?

Healing Touch is energy therapy which affects a person's bio-field. Practitioners work within the bio-field to facilitate physical, emotional, mental and spiritual healing.

What is CHTF?

The Canadian Healing Touch Foundation (CHTF) is a not-for-profit Canadian Charity established in April, 1995. The purpose of the CHTF is to receive and distribute funds to assist, encourage and advance the philosophy, objectives and techniques of Healing Touch.

The Canadian Healing Touch Foundation provides funds in the form of bursaries to individuals requiring financial assistance to attend educational courses in Healing Touch.

The CHTF depends upon tax-deductible donations, instructor tithing, and fund-raising activities to be able to help these individuals. CHTF can receive funds in many ways including money, property, stocks, bonds, and securities. Please contribute and help us to help others.

Bursary Guidelines and Application

The Canadian Healing Touch Foundation's (CHTF) mandate is to provide financial assistance in the form of bursaries to individuals wishing to attend any recognised Healing Touch class in Canada.

The CHTF encourages anyone who knows of individuals who are keen to study Healing Touch but are hesitant to do so because of funding challenges to have them apply to the CHTF Bursary Award Program.

The CHTF Board of Directors needs Volunteers

As stated: "Our Future is in Your Hands". The CHTF BOD consists of 5 Directors: three shall be appointed as Chair, Treasurer and Secretary and two Directors At-Large who will assist with Fund-raising and other tasks as required.

If you are interested to volunteer, contact us or complete the nomination form available online

Donation

HELP US TO HELP OTHERS!

The Canadian Healing Touch Foundation welcomes all contributions and bequests.

Gifts to the Canadian Healing Touch Foundation are tax deductible in accordance with federal tax laws. Contributions by individuals are eligible to receive a tax receipt.

All donations to the CHTF make it possible to distribute bursaries to individuals in need of assistance to study Healing Touch.

Please contribute and help us to help others by becoming a member of our Donor Circle.

The CHTF now accepts online donations through www.CanadaHelps.org. Using this organization greatly streamlines the CHTF administration process and costs by depositing the funds directly to CHTF and issuing tax receipts immediately to the donor.

Your gift is greatly appreciated!
